New Hope Ministries Update

June 2025

Dreaming Bigger, Reaching Higher

Nine incredible women are taking bold steps to build brighter futures through our **workforce development programs**. They're working hard, showing up every day, and proving that change is possible. Thanks to the amazing support of a community that truly cares, they're chasing dreams that once felt out of reach, and beginning to believe in what's possible for themselves and their families.

Thank you for being part of the journey that is transforming lives!

Hebrews 11:1 (NIV)

Now faith is confidence in what we hope for and assurance about what we do not see.

Please take a moment to read this touching note from a recent graduate of our workforce development program. Because of **your generosity**, she found strength during an incredibly difficult time and can now provide for her children with **hope and dignity. Your support truly changed her life.**

I am thankful for New Hope Ministries for helping me with this opportunity because I am a single mom. Financially things are a struggle because I have to have surgery which creates some stress. I want to continue expanding my knowledge and skills so I am able provide more for my children's have access to better paying jobs. Thank you for allowing me to be here!

Thank You!
